Press Release

Kids Colony Playground

In 1993, over 200 residents and countless others donated time and money to build a community playground for the residents of The Colony. That effort became known as our community's signature playground - Kids Colony. Now 17 years later, time and weather have taken their toll on the centerpiece of many fond childhood memories and a new Kids Colony is going to be built.

This time around The Colony's Community Development Corporation will be providing the funding for the new project but what made the first Kids Colony great was the residents' contributions and we are asking for them again. You are invited to attend the April 8th CDC meeting and give your ideas for the new design of Kids Colony Playground.

If you have a wooden plank with your name on it in the current Kids Colony, it will be preserved and used in the new design.

If you are unable to attend the meeting on April 8th, please email your ideas to pam@tcpard.com or keith@tcpard.com.

The CDC meeting on Thursday, April 8th will be at 6:30 p.m. in the Council Chambers at City Hall, 6800 Main Street in The Colony.
