## **City of The Colony News Release**

### **Citizen Input Sought for Cultural Arts Master Plan**

The Colony Cultural Arts Board, through funding from The Colony City Council and The Colony Community Development Corporation, has commissioned a Cultural Arts Master Plan to establish goals and objectives for the future of cultural arts in The Colony. Now, the CAB is reaching out to the community for input on what you as citizens want for the future of cultural arts in The Colony.

The CAB has prepared an online survey for the purpose of receiving citizen input into the Cultural Arts Master Plan. This survey will take no more than 7 minutes of your time and as a reward for your time, each survey respondent may be entered into a drawing for one of three gift cards to a local restaurant.

The survey can be accessed at <https://novisurvey.net/n/TheColony.aspx>, or on the front page of the city website at [www.thecolonytx.gov](http://www.thecolonytx.gov). All citizens with an interest in the arts are encouraged to complete this survey. In addition, we would ask citizens to notify their friends and family of this survey so that we can increase community participation. The more responses we receive, the more input we will have and the better and more representative this plan will be for the city.

If you have questions about the Cultural Arts Master Plan you may email Brant Shallenburger at [bshallenburger@thecolonytx.gov](mailto:bshallenburger@thecolonytx.gov) or call 972-624-3108.
