

## PRESS RELEASE

October 12, 2011

### **A Day in the Life of The Colony Public Library**

On Tuesday, October 25<sup>th</sup> The Colony Public Library is *ZOOMING IN ON YOU* by participating in Library Snapshot Day. Sponsored by the Texas Library Association, this event was created to record information about what happens in a day in the life of a library. In Texas, libraries in school campuses, colleges and universities, government and corporate settings pick one day in October to hold the event.

“Our library serves our customers in so many ways. During Snapshot Day, we are able to capture the energy, vitality, and diversity of our programming and services” explains Joan Sveinsson TCPL Director.

The statistics gathered will include a count of in-person and virtual visitors to the Library, the number of materials borrowed, and data on the reasons why people use the Library. Please help record how important your library is to the community - on October 25<sup>th</sup>, visit the Library or log onto its website at [thecolonypl.org](http://thecolonypl.org) and let us know why The Colony loves its library!

For more information, contact the Library at 972-625-1900, ext. 3.
