Ongoing construction of the Sam Rayburn Tollway/Dallas North Tollway interchange will require the following closures overnight Friday and Saturday and all day Sunday. These closures are necessary for the safety of the traveling public.

To improve traffic flow in the area, the DNT main lanes will fully reopen Saturday. During a day-long closure Sunday, the left lane on southbound DNT will remain open to traffic.

- **Detour:** Northbound DNT motorists will exit at Headquarters Drive, use the northbound DNT frontage road and re-enter northbound DNT at the entrance ramp near Gaylord Parkway.
- **Closure:** All southbound DNT main lanes between Gaylord Parkway and Headquarters Drive will be closed, as will the southbound DNT entrance ramp south of Lebanon Road (near the future John Hickman Parkway).
- **Detour:** Southbound DNT motorists will exit at the SRT/SH 121 ramp just south of Gaylord Parkway, use the southbound DNT frontage road and re-enter the southbound DNT at the entrance ramp near Headquarters Drive.
