

SUMMER KIDZ KAMP IS HERE!

Moms and dads...don't let your child's summer be spent sitting at home watching television. Plan now for an exciting summer of Kidz Kamp!

Kidz Kamp is for girls and boys between the ages of 6 and 11. Daily activities at camp include things like arts and crafts, sports and athletics, games and group activities, and more. Our trained counselors work to ensure that each child has a fun and rewarding camp experience.

Campers will go on weekly field trips throughout the summer, and will visit The Colony Aquatic Park twice a week for an afternoon of water activities and fun in the sun.

Campers must bring their own sack lunch and water bottle each day. Each camper will be provided with one t-shirt to be worn on field trips. Additional t-shirts will be available for purchase at the Recreation Center.

Cost:

The camp registration fee is approximately \$110 per week (varies by session). This fee includes the camp registration, transportation fees, swimming fees, and one field trip each week. There may be other minimal fees for extra field trips, activities or special projects that come up.

There is a one time \$20 supply fee per child to be paid at the time of registration. 210701-K

A \$10 non-resident fee per child per session will be applied.

Additional Child Break:

For families with more than one child enrolled in camp, there will be a \$10 per session discount for each additional child registered.

Schedule:

Kidz Kamp will be offered in ten one-week sessions throughout the summer. A **non-refundable** and **non-transferable** deposit of \$40 for each week may be paid to reserve your child's spot in camp. The remainder of the balance for each session must be paid two weeks before the start of that session, or you risk losing your child's spot in camp. A complete newsletter with each weeks schedule will be available prior to each session.
